* Please note: The minimum age for Schools Assistants/English Tutors in UK/Ireland, Canada and Poland is 18, as are many of our Outdoor Activities Instructor roles in Canada. However, in some cases we will accept volunteers who will be turning 18 within 3 months of arrival.

Minimum duration for Republic of Ireland Community Work placements is 9 months. Departure Months are estimates based on previous years, but ARE subject to change. Exact dates will be released when secured, as they often change slightly from year to year.

▲ Waiting list – where we have more applicants than allocated placements at this point we run a waiting list. It is not uncommon for some applicants to change options or withdraw due to other commitments etc, and we are always developing relationships with new hosts internationally, so places often become available throughout the year. We do accept applicants if you are happy to go on a waiting list, or be flexible regarding a second choice option. Please feel free to call us to discuss.

Durations are based on approximate placement length. In many cases, volunteers are able to stay in-country longer, subject to visa requirements. Often volunteers incorporate travel into their extended stay.
